DESCRIPTION

The 2012 Keystone Cougar High Country 321RES is a premium, triple slide out travel trailer designed for extended season camping and couples who want residential living space on the road. Measuring roughly 35 feet 4 inches in overall length and featuring a dry weight of approximately 7725 lbs, this unit offers an incredibly open and spacious environment while remaining easily towable by most modern half ton and three quarter ton trucks. This floorplan is heavily focused on creating a comfortable and open living environment. The highlight of the unit is the rear full wall entertainment center featuring massive overhead cabinetry storage and a perfectly positioned setup for viewing from anywhere in the coach. The center of the trailer features two massive opposing slide outs that open up the floor space dramatically. One slide out houses a comfortable sofa and the booth dinette, while the op...
